Classical School 2026-27
Grades 1-2

Choose either Monday/Wednesday OR
Tuesday/Thursday Classes (preference is given to two-day a week registrations)

On Monday or Tuesdays, students will explore *Song School Latin*, science, math, Spanish, and recess.

On Wednesday and Thursdays, students will explore language arts, social studies, music, Spanish, and art.

Students will explore new ideas, experience hands on learning, and learn to work with others. Students should bring a sack lunch, along with the necessary utensils, but no food to heat up.

Teacher: Madeline Muguerza

Spanish Teacher: Violet Flores

Aide: Rosa Flores

Registration Fee - $125

*The tuition fee includes the costs of teacher salaries, teacher aide salaries, building usage, materials, enrichment activities, security, special events, and other associated costs of providing an educational program.

Tips for Success in Grades 1 & 2

- ✓ Parents should set aside at least 1-1½ hours per day for grades 1 and 2 schoolwork. Children in grades 1 and 2 need supervision and teaching direction at home. Math should be done daily since practice is essential for achieving math mastery for high school.

- ✓ Schoolwork entails reading, writing, and completing homework.

- ✓ Special projects and other major activities often require the parent to set aside a couple of extra hours to ensure that these assignments are completed in a timely manner.

- ✓ All HEP TX students must complete a math curriculum and a reading curriculum at home since the limited amount of time we have your children at the Classical School is not enough to prepare your child academically in reading and math. If you need ideas for helping your child, please talk with the staff or make an appointment with Joanne Juren, Principal.
